Appendix B – Method and Code of Conduct for non-Member attendees of the BSL Advisory Panel at any Panel meeting

In exceptional circumstances an individual or group of individuals (hereafter referred to as the “Correspondent”) may wish to make representation, either in person or by composing a paper to the BSL Advisory Panel to express their views on a particular subject or topic. This activity should be encouraged within the BSL scheme to ensure that those who wish to do so are given the opportunity to input into the development of the BSL scheme.

In the first instance the Correspondent should be encouraged to submit a brief paper containing an overview relating to a particular matter. If the BSL Advisory Panel agrees then the Correspondent should then be given the opportunity to submit a full paper on their chosen topic which must be received no less than 15 days prior to the next meeting of the BSL Advisory Panel.

The Correspondent shall be notified of when the BSL Advisory Panel will discuss their paper and shall be given written feedback by the BSL Administrator in conjunction with the Chair no later than 20 working days after the meeting has taken place.

Where it is agreed by the BSL Advisory Panel or, if timescales do not allow, by the Chair, the Correspondent can be given the opportunity to attend a BSL Advisory Panel meeting to deliver a presentation and/or paper and be questioned by the Members on their topic.

Where this is the case and the Correspondent is made up of a number of representatives, no more than a combined total of two representatives may attend such a BSL Advisory Panel meeting.

When in attendance the Correspondent shall be given adequate time to introduce themselves to the BSL Advisory Panel. Prior to the meeting, the Correspondent will be informed in writing of their allocated time slot within the meeting and will be required to stick to this agreed timing during the meeting. Sufficient time for questions from the Panel will also be pre-determined and included in the agenda, however it will be at the Chair’s discretion to allow this time to be extended during the meeting. The Correspondent will only be allowed to attend the part of the meeting that is directly relevant to them.

Attendees shall be made aware of these time constraints and it shall be emphasised at every point of communication with them that these times will be strictly adhered to. It should also be

emphasised that during any meetings the Correspondent must remain respectful of the BSL Advisory Panel Members and that any abuse or inappropriate conduct may result in them being asked to leave the meeting and their topic being removed from the agenda.

Appendix C – Election of Chair and Vice Chair

A process for electing a Chair and Vice Chair from the elected panel members shall be carried out following a newly elected panel, or where the chair stands down. The outgoing Chair and Vice Chair may stand for re-election if they wish.

With a newly elected Panel member group, or where the chair stands down, the outgoing chair or the BSL Administrator will ask for members to nominate themselves as the chair and or vice chair from amongst the members. However, the chosen member will be subject to BEIS ratification.

If for any reason the Chair or Vice Chair is not available for a scheduled panel meeting then the BSL Administrator will direct the meeting to ensure continuity of the BSL Advisory Panel. Under these circumstances no votes may be cast and no matters discussed other than those matters relating to the structure of the BSL Advisory Panel.

The Chair can resign their position by giving a minimum of 90 days notice to BEIS and the BSL Administrator in writing, unless there are extenuating circumstances surrounding their request to resign.

Appendix D – Membership Elections Process

Membership elections shall be held no more than two years after a previous election. The elections process is set out below.

1. No later than 30 working days before the date of an election of Panel Members, candidates may nominate themselves for election for a particular Member position. Candidates will provide written evidence of their suitability for the position and their rationale for wanting to be considered for the position.
2. The BSL Administrator shall undertake an initial review of candidates and produce a long list of suitable candidates for each Member position, up to a maximum of five. The BSL Administrator shall notify the list of candidates to each BSL supplier at least four weeks' prior to date of the election.
3. Where there are more than two candidates for election as representatives of a category of party, the BSL suppliers in that category of party shall be invited by the BSL Administrator to cast votes via email for their favoured candidate within ten working days of being notified of the list of candidates.
4. The candidates receiving the most votes (or, where not enough candidates are proposed for an election, the candidate(s)) shall be appointed as the Member for their applicable category of party. If, following an election, votes for candidates for election are equal, the BSL Administrator shall request BEIS to determine the procedure for deciding which candidate(s) should be elected.
5. The Members shall retire no later than two years following their appointment as Members, but each retiree may be a candidate for reappointment in the subsequent election period.

REMOVAL AND REPLACEMENT OF MEMBERS

6. Each category of party entitled to appoint a Member may, at any time, request the removal of their Member from office and elect or appoint another person to be a Member in their place. The request for removal will be submitted in writing to the BSL Advisory Panel Chair via the BSL Administrator, detailing the reason(s) why the request has been made and must be signed by at least three representatives of that Member category.

7. Following review of the evidence submitted, plus any additional evidence the Chair chooses to gather, the Chair will make the decision as to whether to remove the Member in question.
8. Alternatively, a Member can choose to step down by giving 90 days notice through written confirmation to the Panel Chair.
9. Where a Member chooses to step down, or is removed from their position as Member on the Panel, or the position fails to be filled, the panel may consider other Panel Members to represent the unrepresented membership categories. Where necessary, other BSL listed suppliers, may be co-opted with a vote of agreement by the Panel Members.

ALTERNATES AND GUESTS

10. Each Member may, by written confirmation to the BSL Administrator, appoint any individual who is an employee of one of the parties from the category of party that has appointed him to be their Alternate as a full Panel Member with all rights.
11. Members may propose to invite guests for special purposes, such as the need to provide expertise in a specialist subject or support a working group.

Attendance of any guests will be agreed by vote of the Panel. Any such guests shall have no voting rights and they shall be made aware of and agree to abide by the rules of attendance in such a capacity as detailed in Appendix B of these Terms of Reference. A guest shall remain until the subject matter is resolved only, as for observers detailed in section 5.

CONSIDERATION OF THE APPEAL

8. Any members of the BSL Advisory Panel that are directly involved in the original recommendation or the original incident shall declare the conflict of interest to the BSL Advisory Panel Chair and will not be involved in the appeal review and decision process. (If the BSL Administrator is thus excluded from the decision-making process, they will still remain at the meeting in an advisory and secretariat capacity only).
9. The BSL Administrator shall submit to the BSL Advisory Panel all relevant evidence and information regarding the original recommendation, along with the appeals documentation and any evidence already submitted by the appellant.

10. The BSL Advisory Panel shall determine its decision based on the evidence presented in the report. If the BSL Advisory Panel requires further information, this information shall be procured via the BSL Administrator, and a further meeting convened if required to review that further information.
11. The Chair of the BSL Advisory Panel shall communicate the outcome of the appeal to the appellant and to parties concerned within five working days of the decision being made.
